

**TWIRLING CLASS**—Nancy and Mary Giddens of Abilene are instructing twirling to the girls in the Jaycee Girl's Summer Recreational program. The classes will continue today and tomorrow. Girls pictured are: BACK ROW, left to right, Caron Knabel, Marilyn Reynolds, Mary Ann Elkins, Jeanette Green, and Billie Blankinship. FRONT ROW, left to right: Jeanette Goolsby, Donna Compton, Elizabeth Cunningham, Carolyn Reynolds, and Anna Brown.

**GOLF INSTRUCTION**—Mrs. M. F. Smith shows Mary Ann Elkins how to grip a golf club as members of the Jaycee Girl's Summer Recreation program look on. The girls pictured are: LEFT TO RIGHT, Marilyn Reynolds, Margaret Turner, Lagenia Weaver, Pat Blankinship, Zoan Winegart, Cheryl Brown, Mary Lois Patterson, and Elizabeth Cunningham.

## EAST CEMETERY WITHOUT WATER OVER WEEKEND

The Hamlin East Cemetery was without water over the weekend because someone ran over a hydrant near the north gate sometime Friday afternoon or night. The damage was not reported and the leak was not found until late Saturday.

Mrs. D. D. Harden, president of the Hamlin Cemetery Association, reported that a great deal of water was wasted and the association must pay for the water.

Mrs. Harden asked that in the future if anyone should accidentally break a water line at the cemetery to please notify someone so that the water can be turned off.

Also, she requested that if anyone finds the water off when they turn on a water hydrant to please turn the hydrant back off so that the water will not be wasted when the line is turned back on.

## Former Hamlin Attorney, Clem Calhoun, Dies

Clem Calhoun, who practiced law in Hamlin during the middle 1920's, died in Amarillo on Saturday. Mr. Calhoun was 64. He had been a criminal lawyer in Amarillo for 30 years.

In 1925 he went from Hamlin to Abilene and served as district attorney of the 104th District Court. In 1929 he was appointed by former Gov. Dan Moody, and was sent to Borger to help restore order. The Panhandle city had been placed under martial law following the slaying of Dist. Attorney Johnny Holmes.

Survivors are a son and two sisters.

## Many Attend Tindal Family Reunion Sunday

The Tindal Reunion was held Sunday at the Robert Johnson park when children of the late Mr. and Mrs. J. M. Tindal and their families were together for the first time in several years.

The group included: Mr. and Mrs. Grover Maynard, Mr. and Mrs. A. O. Tindal, Mr. and Mrs. Robert Johnson, Mr. and Mrs. Bill Maynard, Mr. and Mrs. A. D. Maynard, Mrs. J. W. Perryman and Sue, Mr. and Mrs. Earl Brown and Mr. and Mrs. Johnnie Waldrop all of Hamlin.

Mrs. Josie Jackson of Abilene, Mr. and Mrs. R. S. Pyron, Mrs. Flora Ivey, Miss Teddy Mitchell and Douggie Pyron, all of Dallas; Mr. and Mrs. Sam Tindal, Mr. and Mrs. Don Tindal and Mr. and Mrs. Kenneth Hair and daughter all of Littlefield.

Mr. and Mrs. Doyle McKinnon and children and Mr. and Mrs. Jerry Wright and girls of Lubbock; Mr. and Mrs. Charles Parks and children of Plainview; Mr. and Mrs. Elmo Barrett and daughter and Mrs. O. Lou Coyle all of Amarillo; Mr. and Mrs. Jess Alford, Mrs. W. L. Alford all of Anson and Maryann Maynard of Fort Worth.

## Gene Murff Named On Honor Roll

Gene Murff was included on the University of Texas College of Arts and Sciences honor roll which was released this week from Austin.

Murff, a sophomore pre-med major, is listed magna cum laude on the list released by Dean J. Alton Burdine.

The son of Mr. and Mrs. Joe Murff of Route 4, Hamlin, he was valedictorian of the 1959 graduating class of Hamlin High School.

## First Graders Must Have Birth Records

As school opening time nears Superintendent C. F. Cook reminds Hamlin parents of beginners that a birth certificate is required to enter the first grade.

He also stated that the school encourages pupils to be immunized for contagious diseases.

Mrs. B. R. Sullivan of Tucson, Arizona, is visiting her parents, Rev. and Mrs. Cecil Stowe, Rev. Stowe is the new pastor of the Nazarene church here.

Mr. and Mrs. Jake Lawson, former residents of Hamlin, visited in the home of Mr. and Mrs. Louis Cunningham from Thursday until Saturday. The Lawsons are now living in Balinger where he is manager of the Lone Star Gas Co.

# JC's Paving Sign-up Program Underway

The Hamlin Jaycees expect to start their street paving sign-up drive this weekend, according to Max Murrell, chairman.

Murrell will be assisted by Ed Farmer and Tim Jones in organizing the drive. They plan to divide the town into several sections and work one section at a time.

The club will be divided into four groups with a group lead-

er for each group. Murrell hopes that some of the groups will be able to start working their territory by Friday night.

Tillman A. Smith, general

field engineer for the Portland Cement Association, met with the Jaycees Tuesday night and explained the Soil Cement Stabilization method that will be

employed here if the paving project is successful. He was accompanied by W. W. Greif and Bill Rivers of the W. W. and Bill Rivers of the Greif Associates Engineering firm of Snyder which has

The purpose of the program was to enable the Jaycees, who will work on signing up the blocks to be paved, to answer questions that may be asked by the property owners.

Smith, with the use of samples and a film, explained the history of the method and told of some of the roads in this area that have been constructed by the soil cement process.

The City Council authorized the Jaycees to sign-up as many blocks as possible at a price of \$2.00 per property line foot for the paving and \$1.55 per foot for the curb and gutter. There must be at least 20 blocks signed up to put the program in effect.

Greif told the club that the signing up of the streets must be completed as soon as possible because of the limited paving weather left this year. Murrell asked that anyone desiring more information about the paving project to call him at 31.

## SWIMMING AND DIVING MEET TO BE HELD HERE FRIDAY NIGHT

The Hamlin Swimming Pool will sponsor another swimming and diving meet Friday, July 29, at 7:30 p.m. at the pool.

There will be trophies awarded in both swimming and diving events in each of the divisions.

The boys divisions will be divided into three age groups: senior, 16-18, junior 13-15, and pee wee, 12 and under.

The girls division will be divided into two age groups: senior, 13 and over, and pee wee, 12 and under.

The swimming events are

trudgen, underwater, free style, breast stroke and back stroke. The entry fee will be \$1.00. Winners and their points in the meet held Saturday were as follows.

Senior Boys, Durwood Boyd, 99, Phil Smith, 88, and Steve Stevens, 62.

Junior Boys, Alan Cumble, 83, Bobby Brown, 68, Rickey Feagan, 67.

Junior girls, Judy Jenkins, 73, Jennette Green, 71.

## Hamlin Boys Win Several Honors in Jaycee Track Meet

A group of Hamlin boys who competed in the Texas Jaycee Junior Champ track and field meet in Abilene Saturday night brought back several first place honors as well as placing in other events.

David Bonds won first in high jump with 5-2 and Bob Murf tied for second and third with 5-4.

Bonds was second in the 100-yard dash.

In the 440-yard relay, Larry Upshaw and Bonds were in the top spot with two boys from Snyder. The first place went to the Winters team but the boys on the mixed team will receive first place certificates.

In the 120-yard low hurdles, Bonds placed first and Upshaw was second.

## Baseball Team To Play Paducah Here Sunday

The Hamlin Semi-Pro Baseball team will host the club from Paducah Sunday at the Hamlin High School diamond. They defeated Guthrie here last week, 7-6, to hold on to their second place position in the Brazos Valley League.

The game went into the ninth inning tied, 6-6, with Hamlin picking up the winning run in the last inning. The winning pitcher was Stanley Austin and the losing pitcher was R. Miller.

## CISCO HEADS PIED PIPER '60 SCHEDULE

The Hamlin Pied Pipers will kick-off the 1960 Football season September 2, at Cisco. The team will play a nine game schedule this year and will have two open dates, one September 9, and the other October 28.

In the district line-up, Spur will replace Seymour on the schedule.

Although Stamford has been placed on probation and will be ineligible to represent the district in the playoffs, the Hamlin-Stamford game will still count in Hamlin's district standings.

The schedule is as follows:

Sept. 2—Cisco, there.  
Sept. 9—Open.  
Sept. 16—Merkel, here  
Sept. 23—Rotan here  
Sept. 30—Winters, here  
Oct. 7—Childress, there  
Oct. 14—Anson, there  
Oct. 21—Haskell, here  
Oct. 28—Open  
Nov. 4—Spur, there  
Nov. 11—Stamford, here

Mr. and Mrs. Herman Sharer went to Dallas over the weekend to visit friends. Mr. and Mrs. Quincy Sutton. From there they went to Denton to visit relatives, Mrs. W. H. Miller and Mr. and Mrs. N. O. Crockett.

## Several from Here To Attend Meeting

Several members of the Hamlin Business and Professional Women's Club are scheduled to attend a District Planning meeting at Brownwood, Sunday afternoon. Mrs. Mae Fuller, Director of Seventh District will preside at the meeting and present a program and work schedule for 1960-61 club year.

A tentative list of those attending from the Hamlin club are: Mrs. Melvin Scott, president; Mrs. Kenneth Riddle, recording secretary; Lennie Greenway, treasurer, Mrs. Earl Brown, second vice president and program co-ordinator and Mrs. E. M. Wilson, first vice-president.

## Methodist Youth To Hold Car Wash

Members of the Methodist Youth Fellowship of the First Methodist Church will have a car wash at the church Saturday. Money from this project will be used for their missionary project and for the Methodist Youth Fund.

Residents may call 97 for pick up and delivery services. Cars will be washed from 8:30 a.m. to 5 p.m. and the price is \$1.50 per car.

Mr. and Mrs. John Bryant and family left by train from Sweetwater last Monday for a vacation trip to California.

## Former Resident Dies in Stamford, Buried Here July 20

Mrs. Lizzie Gertrude Malone, a former resident of Hamlin, was buried in Hamlin East Cemetery Wednesday, July 20, after funeral services were held in St. John's Methodist Church in Stamford.

Mrs. Malone, whose husband, the late Andrew Malone died here May 3, 1937, passed away at 10:45 p.m. July 18, in the home of a daughter, Mrs. Aubrey Smith in Stamford.

Survivors are three daughters, Mrs. Smith, Mrs. O. O. Vahrenkamp, San Angelo, Mrs. Henry L. Hand, Amarillo; one son, James L. Malone, of Big Spring; four grandchildren; one great-grandchild and three sisters.

## Criswells Move to Home on Lake Leon

Mr. and Mrs. O. R. Criswell, Victor, and Cherry left Tuesday to move to their new home on Lake Leon, near Ranger.

The Criswells will get their mail at Eastland. Cherry will enter high school at Olden and Victor will enter Ranger Junior College this fall.

Criswell, who has retired after 32 years of service with the Celotex Corp., will sell minnows and bait at the lake.

The Criswells sold their home at 646 N. E. Ave A to the R. D. Wades.

## Contract Awarded For FM Road 707

A contract for 7.0 miles of construction on FM Road 707 in Taylor & Jones County has been awarded to a Abilene firm, it was announced in Austin this week by the State Highway Commission.

E. M. Bailey, Contractor, Ltd. and F. A. Seidel submitted the low bid of \$79,135 on the project. Reconstruction grading, structures, base and surfacing: Taylor Co.—from Jones county line to Tye; Jones Co. from Taylor county line to FM Road 605 is expected to take 85 working days, according to J.C. Roberts, District Highway Engineer at Abilene.

W. E. Dixon, Resident Engineer at Anson will be in active charge of the project while it is under construction.

Mr. and Mrs. Willard Jones were here during the weekend and have returned to their ranch near Camp Wood where they plan to stay for about 10 days.

## Mystery Farm Contest Won By Bill Shira

The mystery farm picture which was printed in last week's Herald was identified correctly by three persons. The Isaiah E. Smith farm was named by Bill Shira, Oddis Hallmark and Bill Halbert. Shira will receive a six months subscription to the Herald.

Dr. George Graham, assistant to the vice president of Hardin-Simmons University of Abilene, was speaker for Sunday evening worship services at the First Baptist Church. The pastor, Rev. Leonard Hartley, is in Meadow, Texas, conducting a revival.

## MYSTERY FARM OF THE WEEK

Whose farm is this? If you can identify the farm pictured above call or come by the Herald office. The first one identifying the farm will be given a free six months subscription to the Herald. The operator of the mystery farm will receive a beautiful mounted enlargement of the original photo, if he will call at the Herald office.

Texas has been the home of many great and courageous men. A few words describing their feats can imply the magnitude of their character.

Such are the words on a marker on the highway southwest of Llano, in Central Texas, which reads: "Enchanted Rock. From its summit, in the fall of 1841, Captain John C. Hays, while surrounded by Comanche Indians who cut him off from his ranging company, repulsed the whole band and inflicted upon them such heavy losses that they fled."

Sam Houston was converted and baptized in Rocky Creek, in 1834, 18 years before they built the Old Baptist Church that now stands at Independence, in Central, Texas.

A monument stone on the bell tower by the church reads, "She sleeps within its sound." Reference is to Mrs. Nancy Lea mother of Houston's wife. She donated her silver service to be melted into the bell.

The tower was erected with stones from the ruins of the original Baylor building. Judge Baylor's hearthstone is said to be included in the tower.

Historic old Fort Bliss, established in 1848, was rebuilt by the city and county of El Paso in 1948. They built it as an exact reproduction of the original fort, but on a miniature scale.

This miniature fort is now on permanent display at the new Fort Bliss in El Paso.

We all knew Texas was big but we didn't know it was so old until the discovery of the Midland Skull in 1954.

Scientists estimated this hu-

man skull, found in a prehistoric water hole, to be over 12,000 years old. This may be the oldest skull ever discovered on earth. If so, it means that human beings lived in the Ice Age with the huge Mammoths.

It's an art lover's paradise. But you really don't have to be an art lover to enjoy the Indian Pictographs drawn on the rock cliffs of INDIAN SHELTER CLIFF.

This pictorial cliff is located about 25 miles north of Fredericksburg—near Doss, Texas—and close to the scenic old Lange's Water Mill.

Take your camera with you, as you'll want to remember this trip.

## Rowland Steele Attending Reserve Officer Training

FORT HOOD, TEX.—Cadet Rowland G. Steele, 20, son of Mr. and Mrs. Virgil Steele, Rt. 3, Hamlin, Texas, is receiving six weeks of training at the Army Reserve Officer Training Corps summer camp at Fort Hood, Texas. The training is scheduled to be concluded July 29.

During this training Cadet Steele is receiving practical experience and instruction in tactical, technical and administrative subjects, with special emphasis being placed on the duties of a second lieutenant.

Steele is a 1957 graduate of Hamlin High School and is a student at Hardin-Simmons University.

We have no quarrel with the man who has lower prices. He knows better than anyone else what his services are worth.

## 40 YEARS AGO—

### Hamlin Without Lights Since Sunday

July 23, 1920

Up to the hour we write this, Wednesday 3 p.m. Hamlin and Plasterco have been without lights and power since Sunday about 3 p.m. At that time a little storm passed over between Hamlin and Stamford and about 15 of those iron supports tumbled over and of course the "juice" was cut off for all west of there. All electrical users in Hamlin and Plasterco have marked time all week. The Herald operates the type setting machine with electric current and to keep from meeting ourselves coming in on the next week's issue we will have to be

brief and very late this week. We regret this as much and more than any one. Here is hoping again that the day will hasten when those light poles will be replaced or reinforced, a thing that must be done if we are to have satisfactory current.

Hamlin Gala Week, Clark's greater shows, one week commencing Monday, July 26th, under auspices of American Legion, 8 big shows—40 dazzling booths, \$10,000 merry-go-round, ferris wheel, uniformed band, sensational free acts daily, read the advertisement of entertainment 40 years ago.

## 25 YEARS AGO—

### New School Transfer Rule in Effect

July 26, 1935

Any child who is a scholastic and who intends to attend a school that is not his home school must be transferred by August 1, whether his grade is taught or not. If a child is not transferred, then the parent must pay tuition because the district will not be responsible for the tuition and neither will the state. There are no more emergency transfers, hence it is imperative that this be done on time. Please remember that all children must be transferred even though the grade is not taught at home.

Advertisement for the Ferguson Theatre reads: Louisa M. Alcotts, "Little Men," with Ralph Morgan, Erin O'Brien and Frankie Darro starts on Friday night. Admission prices are 10 and 25 cents. The theatre is cooled with washed air.

Clarence Bailey, the old reliable at the Strauss Dry Goods Co., took his vacation in the cool refreshing air of his front porch.

Mrs. Carl Young and little daughter, Juanice, are in Mt. Vernon, Texas, visiting Mrs. C. E. Gibson, mother of Mrs. Young.

Robert Fowler and Ted Longino, both good Boy Scouts, are at Camp Tonkawa for the last half of the annual camp.

Mr. and Mrs. Curtis Martin and daughter, Marian, spent most of last week on a trip to South Texas visiting relatives in San Antonio and Corpus Christi.

## 15 YEARS AGO—

### Lions Club Outlines Objectives

July 27, 1945

Advertising in the grocery store ads as follows: Bread, 13c; Flour, 25 lb. sack, \$1.15; crackers, 15c; coffee, 23c; steak, 26c; roast, 26c, and potatoes, 5c a pound.

At a meeting of the Directors of the Hamlin Lions Club on July 24, the following objectives were outlined, and committee were appointed to carry them out.

"Improvement of the Elementary School Grounds," sponsored by the club.

"Better Lighting For Some of Hamlin's Streets."

"Beautifying of Main Street" in cooperation with the Chamber of Commerce.

"Attention to Blind Corners at the Elementary School."

This got prompt attention: twelve or fifteen Lions went up to the Elementary School Tuesday of this week, and with axes, saws and grub hoes, cleaned away for safer driving.

Nine Chinese technicians in communications who are studying American methods under a lend-lease arrangement, have been assigned to the Santa Fe Railway at Topeka and Argen-

tine for training. These technicians are among 593 young Chinese who are in this country studying our methods of industry and agriculture. They are all college graduates, speak English and have two years of training in their particular fields. The nine trainees assigned to the Santa Fe are making a specific study of railway maintenance.

## Former Resident Tells of Early Days Of Baptist Church

A letter received recently from Mrs. C. P. Stevens tells of how she was reminded of the early days of the First Baptist Church here when she read an article about the church's current building campaign.

Mrs. Stevens is a charter member of the local church. She is the former Annie Green and the sister of the late Mrs. W. L. Cash.

She relates that in the beginning the church members met in the upstairs of an unfurnished building and used planks laid on nail kegs for seats. They worked hard to raise money to erect a church building. In the fall of 1905, the women had bake sales, box suppers, bazaars and ice cream suppers.

She and Mr. Stevens married June 24, 1912, in the church that she helped to build.

Mrs. Stevens has kept in touch with the church and its people and finds that the church "still has the same hard working, God-Loving people who are willing to do their best for the Lord."

Difference between a poor and a rich man is that one worries about his next meal while the other worries about his last one.

## AD FACTS No. 7

U. S. citizens smoked approximately 456 billion cigarettes last year—4.5% more than in 1958. Consumers in the U. S. and Canada spent over \$7,000,000,000 for all kinds of tobacco products in 1958. To sell the greatest number of prospective customers, the tobacco industry, in 1959, increased its investment in newspapers an estimated 21.6 per cent over 1958.

TEXAS PRESS ASSOCIATION  
Austin, Texas

## HIGHLIGHTS AND SIDELIGHTS

By VERN SANFORD

Texas Press Association  
AUSTIN. —Although budget balancing is the most discussed of the problems facing the next Legislature, many lawmakers expect redistricting wrangles may raise more blood pressures.

Legislature is required by the Constitution to re-define legislative districts after each federal census. It used to put off this troublesome task, but a 1948 law provides that if it fails to act in the first session after a census, a Legislative Redistricting Board shall take over.

This insures, as it did in 1951, that the Legislature will redistrict—somehow, some way.

Battle will be between big city delegations who will demand more representation in line with their swelling populations and rural members who will try to hold on to as much as they can.

In their election campaigns, many representatives promised their constituents they'd be in there pitching for the home area. Members from growth areas said they'd go after extra representatives, state senators and congressmen.

A rural legislator told his people, "At least twelve rural districts will disappear in the next redistricting. I certainly do not want this district included in that twelve."

Incumbents cited their experience as an asset. Personal feelings often enters into redistricting, and lawmakers are notably reluctant to "squeeze out" a popular and respected senior colleague by erasing his district.

## HOME INSURANCE CUT—

Beginning Aug. 1, premium rates on certain types of homeowner's insurance policies will be cut 10 per cent.

State Insurance Board announced the new lower rates would apply to the "homeowners package" policies which account for about 80 per cent of the home coverage sold in Texas.

Reductions were made possible because insurance companies have had a relatively low loss ratio on the package policies first introduced about three years ago.

CREDIT RATE EYED—Board of Insurance also is considering a further lowering of credit insurance rates.

Many loan companies require borrowers to take out insurance to the loan company in case something happens to the borrower before he repays.

Two years ago the Board cut in half the rates that could be

charged for credit insurance. It was charged that loan companies were making excessive profits on loans through insurance.

Board says even now rates seem high, with losses running 27 per cent of the premiums paid in. If losses run less than 50 per cent of the premiums, rates are considered too high.

NO ROAD PROBLEM—Stiffened federal road inspections pose no problem to Texas, says State Highway Engineer DeWitt C. Greer.

New federal standards are no tougher than those Texas has insisted on all along.

Scandal's stemming from misuse of federal road building money in other states has caused the Bureau of Public Roads to tighten its inspection requirements. Greer said the new federal approach will necessitate no change in Texas procedures.

Texans who have been motoring cross-country during their summer vacations will not find this hard to believe. So noticeably superior are Texas roads to those of surrounding states that returning Texans usually give a sigh of relief when they cross the state line.

SPEAKERS' BATTLE BOILS—Candidates for Speaker of the House continue their month-long battle of "claimsmanship."

Rep. Wade Spilman added five to his list of House members pledged to support him said this gave him a "rather conclusive" lead. Rep. James Turman of Gober claims a definite majority of 79.

Votes of 76 of the 150 House members are needed to elect.

Spilman also has invited the House General Investigating Committee to look into charges that members were being subjected to improper pressure methods on how to vote.

COLLEGE FUNDS SOUGHT—Texas Commission on Higher Education will ask the next Legislature for an appropriation of \$3,082,183 for the 1961-63 biennium.

Bulk of the increase asked is for meeting expected enrollment increases in the 18 state-supported colleges and universities.

In a discussion with members of the State Finance Advisory Committee, the Commission considered recommending an increase in state college tuition charges—now \$100 for a nine-month term. Dr. Ralph Green suggests raising this by \$50. It would bring the state an extra

5,000,000 a year in new revenue, he said.

## PRISON NEEDS CITED—

Texas Board of Corrections also wants more money—a \$2,654,846 increase over their present allocation for the next two years.

"If the amount is granted, Texas prisoners will cost the state \$1.89 per day per man," said State Prison Director O. B. Ellis. "This is just a little more than half the national average."

Ellis and Corrections Board members regard prison needs as critical. Board Chairman H. H. Coffield of Rockdale reported that "the prison population trends indicate it will keep on multiplying."

## WILSON HONORED—

Atty. Gen. Will Wilson has been named by the National Association of Attorneys General as the recipient of that association's award for outstanding service in 1960. He was cited as being the most outstanding Attorney General in the nation when he received the Wyman Award at the Annual Meeting of the National Association of Attorneys General recently in San Francisco.

Award is given to the Attorney General who "has done the most to advance the objects of the association to help make the United States a better place in which to live for all." Wilson won the honor on the basis of his contribution in strengthening state antitrust programs and in the field of

interstate compacts, as well as through his service on the habeas corpus committee of the association. He also was chairman of the association's Antitrust Committee during 1960.

## James McAlister on H-S U Honor Roll

James A. McAlister of Hamlin has been named to the honor roll at Hardin-Simmons University for the 1960 spring semester. Students qualifying for the honor roll must carry a minimum of 12 semester hours and must maintain a 3.58 grade point average.

McAlister is an economist major and a mathematics minor working on his masters degree at H-SU. He is a graduate of Byard High School, Shreveport, La., and has attended Oklahoma University. He is the son of J. A. McAlister of Shreveport.

Not a single cracked egg since Chevy took over the route

That '60 Fleetside pickup you see takes whatever kind of road comes along, and makes about 250 stops a day delivering eggs house to house for Mr. Harry Hansen of Missoula, Montana. "With my previous truck," Mr. Hansen writes, "I always had some cracked eggs. Cargo damage always cut into my profits. But the new Chevy eliminated that problem completely. I haven't had one cracked egg with my new truck and I've had up to a ton of eggs in it without any difficulty. ... I didn't know a truck could ride so nice."

Chevy rides nice, all right: takes good care of fragile cargoes. But that's not even the half of it. Torsion-spring suspension also means longer life for the truck, extra thousands of working miles, because the sheet metal and body components take less of a beating. You can run off-the-road or over back trails at faster safe speeds, too; get in more trips a day, make more money. Those facts are as true of the big Chevrolet heavyweights as they are of the pickups. Any model you name. Get one on your job and you've got the world's most efficient, most economical way to haul any load over any road. Your dealer will be happy to prove that statement any day you say.

"I'm getting close to 20 miles to the gallon," Mr. Hansen states, "and that's on stop-and-go delivery."

When the lights go on tonight in Lone Dot  
Twilight . . . and Lone Dot looms like a ghost town lost in the mountains. Then, as the lights blink on, you realize that rural electric lines have tied this isolated speck on your map to jet-age America. Now you know the conveniences of home are as near as the lighted windows that turn this lonely road into Main Street.  
Bringing electricity to Lone Dot, and other out-of-way places, has been a modern-day "miracle." Before 1935, most people in rural America couldn't get electricity, at least at a price they could afford.  
Then came the Rural Electrification Administration

MIDWEST ELECTRIC COOPERATIVE  
ROBY, TEXAS

Force for four years is now stationed at Dyess Air Force Base in Abilene.  
He recently signed up for four more years.  
Rev. Al Lorie of Sonora, former pastor of the Tuxedo Baptist Church visited with friends here Tuesday.  
Mrs. Mary May of Stamford visited her sister, Mrs. W. B. Apperson, and sons, John and Dulin Saturday.  
Mr. and Mrs. Craig Stephens and family, visited her brother, Edwin Pritchard and family in Abilene Sunday evening.  
They also visited Mr. Stephens cousin, Mr. Clayton Jay and family while in Abilene.  
Gregg and Cathy Pritchard spent Friday night with their aunt, Mrs. Paul Galey and Mr. Galey of Hamlin.  
Other visitors in the Galey home this week were, Mrs. Craig Stephens, Bob and Keith and Mike Phillips, Mrs. Joe Carlton and Kate, Mrs. Jerry Crowley and Mrs. Clyde Pritchard.  
Mr. and Mrs. Bill Glenn and family visited his parents, Mr. and Mrs. H. D. Glenn and also the Joe Carltons Saturday night.  
They were on vacation and were enroute to Corpus Christi to visit her sister, Mrs. Paul Bunch and boys.  
A tractor demonstration on the Gayle Baize farm Tuesday, was attended by a large group of men of the area.  
Mr. and Mrs. Junior McKinnon of Lubbock and family spent the weekend with his parents, Mr. and Mrs. Doyle McKinnon.  
Mr. and Mrs. Soland Cunningham and daughter, Vickie and Brenda of Lincoln, Nebraska, arrived Tuesday at the home of Mrs. Cunningham's aunt, Mrs. D. J. Meads.  
Mrs. Meads and her guest all had lunch with Mrs. Bonnie Meads and son, Hurbert of A-voca Wednesday and they had supper with Mrs. Meads and her guests Thursday night.  
Mrs. Rebecca Harwell visited with several people in Abilene Wednesday and stayed over, for a house warming Thursday in the home of her sister, Mrs. Walter Tubbs.  
Mrs. Mose Jones of Denver City also attended the house-warming and came home with

EIGHT ESSENTIALS FOR UNIFORM HEATING LISTED BY COMPANY

There are eight essentials of uniform heating by which Hamlin residents may measure their home heating needs.  
"One of the most important of these essentials is fresh air heat," according to heating engineers of Lone Star Gas Company which is conducting its annual heating sales campaign in August and September during which special discounts will be given.  
"A good heating system," the engineers point out, "gives positive warm air circulation in every part of every room. Proper air distribution plus the addition of outside air minimizes staleness and stuffiness in a home. It aids also in controlling the amount of moisture released in a home by body heat and such day-to-day living habits as bathing and cooking."  
"In older homes this condition is controlled to a degree by air leakage around window and doors. In newer homes, which have tighter construction and more insulation, normal outside air leakage usually is insufficient. But, in new central heating installations, provisions

THE HAMLIN HERALD Thursday, July 28, 1960  
Maberry Reunion Draws Around 200 Relatives, Friends  
The annual Maberry reunion was held Sunday, July 17, at Roby, Texas, in the Fisher County Agricultural Building. Approximately 200 relatives and friends of the late Mr. and Mrs. Dan Maberry and the late Mr. and Mrs. John Maberry attended.  
Attending the covered dish dinner were: Mrs. J. P. Cornelius, Mrs. Vera Jayroe, Mr. and Mrs. A. A. Smith and children, Mr. and Mrs. Willard Maberry, Miss Mary Margaret Maberry, Mr. and Mrs. Dick Maberry, Miss Betty Carroll Maberry, Mr. and Mrs. Ben Maberry, Mr. and Mrs. Walter Peacock, Mr. and Mrs. Vernon Harris all of Hamlin.  
Mr. and Mrs. H. C. McElyea and children, Mr. and Mrs. Ross Douglas and children and Mr. Kenneth Douglas all of Syl-vester.  
Mr. and Mrs. L. C. Maberry and family, Mr. and Mrs. J. W. Fancher, Mr. and Mrs. John Frank Maberry, Mr. and Mrs. L. R. Andres, Mrs. Ted Abbott, Mrs. Della Fancher, Mrs. Edna Maberry, Mr. and Mrs. George Maberry, Mr. and Mrs. Luther Maberry, Mr. Bobby G. Maberry, Mr. Smitty Dan Maberry and Miss Betsy Maberry all of McCauley.  
Others were from Borger, Portville, California, Ft. Dodge, Iowa, Mesa, Arizona, O'Donnell Texas, San Angelo, Meadow, Brownfield, Dallas, Lubbock, Happy, Rapesville, Wichita Falls, Merkel Austin, Lamesa, Plainview, Abilene, Odessa, Midland, Big Spring and from Trent.  
A taxpayer is one who does not have to pass a civil service exam in order to work for the government.

## 55th WEDDING ANNIVERSARY OBSERVED BY S. J. KINGS

MARY ANN WILLBANKS  
to wed Sept. 3

Mary Willbanks  
And Murl Smith  
To Wed Sept. 3

Mr. and Mrs. William Odell Willbanks have announced the engagement and approaching marriage of their daughter, Mary Ann, to Murl Don Smith, son of Mr. and Mrs. Grady Smith.

Marriage vows will be read at 8 p.m. September 3 in the First Baptist Church with the pastor, Rev. Lenard Hartley, officiating.

The couple will make their home in Denton where both will be students in North Texas State College.

Rev. and Mrs. S. J. King celebrated their 55th wedding anniversary, Sunday, July 24, with a dinner at their home in south Hamlin. Rev. King is a retired Nazarene minister and they have lived in Hamlin for about 37 years.

The Kings were married July 2, 1905 at Anson. She is the former Josie Bouldin, a native of Jones county. Rev. King was born in Howell County, Missouri, and came with his family, the J. L. Kings to Texas in 1897 and then to Jones County in 1900.

Rev. King attended Hardin-Simmons University in Abilene. He began his career in the ministry in 1907 and has pastored churches in Haskell, Jones and Fisher Counties and in Arkansas. He retired in May of this year. He was pastor of Anson Nazarene Church for the past two years. He served the County Line church, 20 miles

as State College.

A graduate of Hamlin High School in 1957, the bride was a member of the band for four years and was majorette her senior year.

Smith was also graduated in 1957 from Hamlin where he was active in football, serving as a captain his senior year.

northwest of Rotan, for 11 years.

Mrs. King, who worked along with her husband in the church, helped by playing the piano and teaching Sunday School classes. She lists her hobbies now as cooking and taking care of their home.

Rev. King's hobbies include gardening—they have always had a garden—and fixing things around the house.

Those present for the dinner were their daughter and son-in-law, Mr. and Mrs. Martin Barnett and son, Gerald, from Sudan, Texas, Mr. and Mrs. James A. Tabor of Globe, Arizona, Mr. and Mrs. G. L. Bouldin of Lueders, Mr. and Mrs. C. W. Bouldin and son of Moran and Mr. and Mrs. Elmer Miller of Stamford.

Their other children are Spurgeon King of Andrews, and Mrs. Clinton Bristow of Muleshoe. Two other grandsons are Wayne and Dudley Bristow of Muleshoe.

PATRICIA BRANSCUM  
sets wedding date

Patricia Branscum  
To Wed Gene  
Steele, August 25

Mr. and Mrs. Dan Branscum of Hamlin are announcing the forthcoming marriage of their daughter, Patricia Dan, to Rowland Gene Steele, son of Mr. and Mrs. Virgil Steele of Route 3, Hamlin.

Wedding vows will be exchanged by the couple at 7 p.m. Thursday, August 25, in the First Baptist Church here.

Mrs. L. B. Bruner of Hamlin will be matron of honor for her sister, Linda Bingham of Hamlin will be bridesmaid. Junior bridesmaids will be Sharon Bruner of Hamlin and Janice Groom of Abilene, both nieces of the bride. Kay Andrews of Hamlin will be flowergirl.

Johnny Steele of Hamlin, brother of the bridegroom, will be best man. Groomsmen will be Dean Taggart of Grandalls and Dan Allen Bruner of Hamlin and Michael Paul Carpenter of Pudeuch, both nephews of the bride. Candlelighters will be Jane Turner and Lynn Brannon.

Miss Branscum is a 1959 graduate of Hamlin High School and is employed by the Southwestern Bell Telephone Company in Hamlin. Her fiancé is a 1957 graduate of Hamlin High School and is a senior student at Hardin-Simmons University, Abilene.

The couple will reside in Abilene.

Nunley Circle Met  
Tuesday in Fred  
Carpenter Home

The W. S. C. S. Nunley circle of the First Methodist Church met Tuesday morning in the home of Mrs. Fred Carpenter for the regular monthly meeting with seven members present.

The meeting was opened with prayer by Mrs. G. W. Nunley. After a short business report, Mrs. Harry Gardner gave the devotional using the 23rd Psalm.

Mrs. Carpenter presented the program on "A Missionary's Diary" assisted by Mrs. C. D. Jones.

The meeting was closed with prayer by Mrs. Gardner. The hostess served cookies and lemonade.

Mr. and Mrs. Paul Rogers of Oklahoma City, Okla., visited Mr. Rogers parents, Mr. and Mrs. R. W. Higdon. They also attended services at the church of the Nazarene Sunday morning.

Mr. and Mrs. Milton Pitcock and children of Fort Worth visited their parents, Mr. and Mrs. E. G. Smith, over the weekend. They attended church services Sunday morning at the Church of the Nazarene.

THE ISAIAH E. SMITH FARM NORTH OF HAMLIN

## 'MYSTERY FARM' INCOME FROM CATTLE, OIL

Last week's "Mystery Farm" belongs to Isaiah E. Smith, Star Route, Hamlin, and is located 11½ miles north of Hamlin on Highway 83.

Smith, who owns three farms in that area was born a half mile from the farm where his son, Tom now lives. The farm pictured is 320 acres and was bought in 1932 from the T. F. McWhorters. The Smiths have

lived in their present location about 15 years. There is a total of about 700 acres in the three farms.

Smith was married to the former Esther Dye May 17, 1918 Buffalo Gap. They have three children, Thomas D. and I. E. Smith Jr. of Hamlin, both of Star Route and Mrs. Eldon (Esther Maxine) Brown of Big Lake.

The Smiths are members of

the First Baptist Church in Aspermont. He is also a member of the American Legion and Farm Bureau. Mrs. Smith enjoys quilting as a hobby.

Smith is very active in soil conservation practices and believes it to be very vital to the welfare of the nation.

Income at the farm comes from stockfarming and some oil. Small grains are also raised there. Some of the land is in the Soil Bank at this time.

The heretofore cattle feeding program includes grazing with cotton seed cake and protein supplement and roughage when needed during the winter.

Smith, a veteran of World War I, is at the Veteran's Administration Hospital in Waco where he is responding to treatment and hopes to return home soon.

## FAMOUS COMPOSER TO BE GUEST OF TEXAS STATE FAIR

Dallas,--Richard Rodgers, the composer half of the famous Rodgers and Hammerstein musical comedy writing team, will be the guest of honor at the Music Festival during the 1960 State Fair of Texas, Oct. 8-23.

Rodgers, who with Hammerstein authored "Flower Drum Song," the musical which will be presented in the Music Hall during the 1960 State Fair, will receive the third annual Texas Music Festival Award. The award is sponsored by the Tex. Music Educators Association and the State Fair.

The gigantic Music Festival always one of the most colorful attractions of the entire Fair, will be presented in the Cotton Bowl on the night of Oct. 11. Some 4,000 members of the outstanding high school bands, choruses and orchestras from all sections of Texas will participate.

As guest of honor at the Music Festival, Rodgers will conduct the 4,000 massed musicians in a medley of selections from his own works. The bandsmen will then perform in a spectacular marching and playing pageant. The Music Festival is one of the 1960 State Fair's many free special events.

Rodgers composed the music for such great shows as "South Pacific," "Oklahoma!," "The King and I" and "Carousel," in addition to "Flower Drum Song," which will have 24 performances during the 1960 Fair.

"South Pacific" broke all box-office records at the State Fair in 1950 and "The King and I" had a highly successful run during the 1954 Fair. "Flower Drum Song" has been acclaimed as a show of comparable appeal.

The winner of the first Music Festival award at the 1958 Fair was Meredith Willson.

## Baize Horse Wins Third in Abilene

Spencer Baize was in Abilene Saturday for the cutting horse contest at Abilene Livestock Auction, sponsored by the West Central Texas Cutting Horse Association.

His horse, Snaps Last, which he rode, tied with three others in the field of 16 AA-novice horses.

## SAFETY HINTS GIVEN FOR WATER SKIERS

tion of water skiers noncha-  
antly skims over miles and  
miles of waterways—or tries  
at least.

Little information is avail-  
able on what happens when a  
water skier is unsuccessful in  
his attempts to remain up-  
right, since reporting of mis-  
haps on water—America's new  
found playground—is far from  
complete.

While the facts on water  
skiing accidents may not be  
handy, you can find plenty of  
information on the art of ski-  
ing in the summer.

From the National Safety  
Council, for example, come  
these tips for skiing fun:

1. Don't ski if you can't swim.
2. Don't ski at night, in rough water or in shallow or unknown waters.
3. Don't ski near swimmers, docks or other obstructions.
4. Don't ski with an inexperienced boat operator. Make sure an extra person is in the boat to keep an eye on the

5. Never wrap a tow rope around your body. If you start to fall, throw the tow line clear of yourself.

6. Always approach the shore at an angle—never straight in.

If you fall, the experts advise:

1. Stay with your skis—they'll help keep you afloat.
2. Raise your hand to signal the boat operator of your plight.
3. In congested waters, raise a ski so other boats will see you.

The experts also say that consideration for others and safety consciousness go a long way toward preventing water accidents.

"We're not trying to be wet blankets about water skiing," said Ralph Kuhl, the National Safety Council's director of public safety. "We want you to have fun. We just want you to stay alive and healthy to enjoy it."

TEXAS BOYS who designed and built these sleek model cars for the 1960 Fisher Body Craftsman's Guild model car competition have won first state awards of \$150. The upper car was entered by Darwin Hawthorne of Greggton. The lower car was built by William D. Payne of El Paso.

## OUTDOOR IN TEXAS

By Vern Sanford

Hot news seldom stays hot. But talk about the .22 Caliber Winchester Magnum Rim Fire Cartridge has not cooled off yet. Main reason the new cartridge remains so newsworthy is that it affects more people than do the ordinary new developments in firearms and ammunition.

Nearly everyone who has his own private arsenal, whether of one gun or 100, has a .22 caliber rifle or pistol. The marvelous .22's are versatile and are the least expensive to shoot.

Development of the .22 W.M.R., announced last year, is the first significant development in .22 Rim Fire Cartridges in 60 years.

This cartridge is not a modification of any of the present cartridges, but is an entirely new cartridge. It was designed to fill the void between the conventional rim fires and the .22 Hornet, which is a center fire cartridge.

The bullet is a 40 grain jacketed hollow point expanding bullet. Fired from a 24-inch barrel, the bullet is driven at a

muzzle velocity of 2,000 feet per second.

### Ideal for Predator Shooting

This cartridge should be ideal for predator control and mid-range varmit shooting. Game of small and medium size are beginning to feel the effect of these bullets, and the hunter is paying only half as much for his shells as he formerly did before the appearance of this little powerhouse.

Oddly enough, when Winchester announced this shell, they didn't even have a gun that could fire it. However, Savage didn't take long to alter their popular Model 24 over-and-under by boring the rifle barrel to fit the .22 W.M.R. Mossberg produced a bolt-action in a single shot and a five-shot clip-fed repeater. Marlin announced a lever-action model.

In rapid fire time Ruger, High Standard and Colt all announced their versions of the peacemaker six-guns designed for the .22 W.M.R.

Now Winchester has a rifle for their fabulous new cartridge. Winchester modified the well-known Model 61 slide-action repeater as their .22 magnum entry on the market.

Don't be sending in your old Winchester 61 for modification, however, for it can't be done.

Winchester simply capitalized on the popularity and well-proven features of their Model 61. As the .22 W.M.R. is both larger in diameter and more powerful than the standard .22 Rim fire, the receiver had to be strengthened to withstand the greater thrust.

Also modifications had to be made on the action, barrel and the magazine to allow for the increase in size of the shell.

Offhand, I'd say that a lot of frisky Tex. jackrabbits will be heading for hare heaven when more of these .22 magnums hit the fields.

### Beware of Tularemia

Speaking of rabbits, let's not forget that summertime caution about the rabbit fever — Tularemia.

When that hare takes off in his scared run, take an extra look and see if he's running as a hare should run. If he's loping off in sort of a strained, dopey run, just leave him be.

Be extra careful when you're cleaning your rabbits too. Use rubber gloves and don't touch the meat with your bare hands. If you do, then wash your hands quickly and thoroughly with alcohol.

Tularemia is transmitted to humans primarily by absorption, through cuts or punctures in the skin, while handling the raw meat of rabbits. The meat is safe to eat, after it has been

## STRICTLY BUSINESS

by McFeatters

"... And now, Gentlemen, I want you to consider my proposal very carefully before voting 'yes'!"

## BETTER EFFICIENCY GIVEN AS REASON FOR CARS HEATING

DALLAS—Mr. G. R. Hollingsworth, President of the Automotive Air Conditioning Manufacturers Association, today stated that many of today's drivers, men as well as women, are puzzled because their new cars seem to run quite hot. This fact is true whether or not the car has air conditioning. He termed this "the case of the missing quart".

According to Mr. Hollingsworth Detroit auto engineers have found that higher engine temperatures provide better engine efficiency. Also, because of styling and cost limitations, the car manufacturers have gradually reduced the physical size of the radiators.

So cooling systems on late model cars are designed for higher temperature operation. These cooling systems not only have less water capacity, but more heat to get rid of because the engines have greater horsepower.

Detroit's answer to this problem has been the "pressurized radiator system". Instead of water boiling at 212 degrees as

thoroughly cooked, so the danger lies in preparing for the feast.

If you're a wise hunter you know to play it safe in the field, with your weapon. So, play it just a hair safer when handling that hare.

in older models using non pressurized radiators, temperatures now often reach 254 degrees before boiling -- due entirely to pressurization. Mr. and Mrs. America notice only that their car engines are apt to run hotter than the older model cars -- particularly in slow traffic. Ordinarily, this should be nothing to worry about, said Mr. Hollingsworth. Even an air conditioner adds only 5 to 10 degrees to the water temperature. All motorists should be cautioned, however, never to take the radiator cap off a hot engine because of the danger of being scalded from superheated water being released from under pressure.

**600% RETURN ON AID**  
SEOUL, Korea — A \$200 CARE investment in watermelon seed yielded a 600% return in benefits for 50 farmers and their families in Komak Ri, a refugee village 25 miles northwest of Seoul.

With funds donated by Americans, CARE bought the seed in the spring of '59 so that the farmers could vary their crops and increase their income. Result: they sold some 18,000 watermelons: netted \$1,200, which they used this spring to buy more watermelon seed, plus apple and peach trees to start fruit orchards.

## McCaulley H-D Club Meets in Home Of Luther Maberry

By DIXIE BOYD

The McCaulley Home Demonstration Club met Thursday in the home of Mrs. Luther Maberry. The role call was answered with "Do you prefer joint or individual bank account?" Miss Alice Kemp of Roby, the Fisher County Home Demonstration Agent presented the program on the Do's and Don'ts in banking. Nine mem-

bers present and two visitors, they were as follows: Mme Bill Robinson, Jerry Maberry, Ted Abbott, Luther Maberry, Willie Fancher, Frank Kemp, Fred Kemp and T. H. Boyd. Visitors were Mrs. Rudy V. Hamric of Austin and Miss Alice Kemp of Roby.

The Fisher County Fair will be held in Roby Agriculture Building, August 25-26 and 27. Mrs. Fred Kemp, Willie Fancher and T. H. Boyd are the committee to see for fair exhibits.

STORY OF HUMAN CONFLICT  
COMING TO HAMLIN SCREENS

"Wild River," Elia Kazan's explosive CinemaScope, De Luxe Color production for Twentieth Century-Fox of the clash between the proud people of Tennessee and a federal agent ordered to clear them from their ancestral homes to make way for the mighty TVA project, will have its local premiere Sunday at the Hamlin Theatres.

Starring beautiful Lee Remick, as a gentle country girl, and Montgomery Clift as the government agent assigned to move Jo Van Fleet, who is cast as Miss Remick's grandmother and the last holdout in the path of the dam, the Paul Osborne script, taken from a best-selling novel by famed writer, William Bradford Huie, combines action and romance with a true story taken from one of the harshest cultural clashes in America's recent history.

The film was made entirely on location in Cleveland, Tennessee. That is producer-director Kazan's way of working... filming the story where it happened. He made a movie about stevedores and filmed it right on the New Jersey docks. The film was "On the Waterfront," awarded the Oscar for the Best Picture of the Year. Marlon Brando, Eva Marie Saint, and director Kazan also received Oscars for this film.

"Wild River" star Montgomery Clift has never won an Oscar, but he has received more nominations for Best Actor of the Year than just about any male star in Hollywood. He has appeared in an amazing number of Hollywood's finest films. Among them are "The Search," "The Big Lift," "A Place in the Sun," "From Here to Eternity."

Lee Remick was so good in her first movie that Jerry Wald did not hesitate to co-star her in her second film with such famous figures as Paul Newman, Joanne Woodward, Anthony Franciosa and Orson Welles. Shortly after this film, ("The Long, Hot Summer"), Miss Remick had the key role of the assault victim in "Anatomy of a Murder," co-starring with Jimmy Stewart. Kazan and Wald and dozens of others who should know, predict for her one of the brightest careers in filmdom.

Sunday School  
Attendance Report  
Shows Decline

Attendance in Sunday School in the twelve Hamlin churches whose reports were received at the Herald shows a decrease from last Sunday and one less than attendance a year ago. Totals for July 24, July 17 and a year ago are listed below:

Church	July 24	July 17	1 Yr. Ago
Church—	24	17	ago

Mexican Baptist	40	36	49
N. Cent. Bap.	88	93	79

Ronny Parker Talks  
To Area Churches

Ronny Parker, senior student at Southern Methodist University, spoke at the First Methodist Church in Haskell Sunday evening during their youth activities weekend program.

He also spoke in Knox City Tuesday evening and will be in Tahoka during the first week of August for their youth program.

Inventions in this old world are coming so fast that the ladder to success may soon be replaced by an escalator.

Youth Fellowship  
Plans Activities for  
Winter at Retreat

Officers of the Methodist Youth Fellowship of the First Methodist Church held a retreat at Veda's Camp at Lake Stamford last weekend to make plans for youth activities for the next nine months.

The group included Bob Murff, president, and officers David Bonds, Bob McCurdy, John Ferguson, Margaret Ma-berry, Lou Ann Hawkins, Sonny Teague, Janice Richardson and Sandra Jayroe.

Counselors were Mr. and Mrs. J. B. Jayroe, Rev. and Mrs. Edmund Ro-b and Ronny Parker, youth director.

Recreation was Friday afternoon with a question and answer period that evening on spiritual and ethical problems.

The planning session was held Saturday morning and the group returned to Hamlin Saturday at noon.

Hamlin Invaders  
To Host San Angelo  
Rockets, August 7

The Hamlin Invaders dumped the Rockets of San Angelo 11-8, Sunday.

The Invaders made their 11 runs on 11 hits and four walks, while the Rockets got 12 hits and three walks.

The next home game for the Invaders will be with San Angelo August 7 at the High School diamond.

Any team desiring to play the Invaders a night game during the week are requested to call 9599 after six o'clock p.m. and ask for Boiden, Sparks or Haley.

Visiting Here

Visitors in the home of Mrs. Myrtle Locke, 229 NW Fourth Street, Sunday, July 17, were Mr. and Mrs. R. B. Storey of Fort Stockton, Mrs. Viola Beavers and daughter and granddaughter of San Antonio; Mr. and Mrs. Vernon Gilmore of Fort Worth and Mr. and Mrs. Langford McCracken and children of Hamlin. Mrs. Storey and Mrs. Beavers are sisters of Mrs. Locke. Mrs. Gilmore is a niece whom Mrs. Locke had not seen in several years.

Mrs. Locke has recently moved back to Hamlin from Colorado Springs, Colorado, where she had lived for the past years.
